About RSI

Restaurant Services, Inc. (RSI) is an independent member-owned purchasing cooperative serving BURGER KING® restaurant owners in the United States.

RSI was founded in 1991 as the exclusive purchasing agent for the vast majority of products used by the U. S. BURGER KING system. Its primary purpose is to leverage the buying power of BURGER KING restaurants to achieve favorable contracts for food, packaging, premiums, promotion products, supplies, equipment, distribution and related services on behalf of more than 8,300 restaurants.

RSI's Board of Directors is comprised of BURGER KING franchisees, elected by region, one Burger King Corporation representative and one member appointed by the Minority Franchisee Association. The cooperative maintains a close working relationship with Burger King Corporation, with respective roles and responsibilities outlined in a formal Operating Agreement.

RSI works closely with restaurant owners, Burger King Corporation, food and packaging suppliers, marketing agencies, equipment vendors, distributors and information systems providers to streamline and improve the supply chain efficiency

The diagram illustrates a Security Policy framework. At the top is a horizontal bar labeled "Security Policy". Below it is a central column of eight vertical modules: "Distributed User Administration", "Administrative Audit Trail", "Access Management", "Logon/Password Management", "Reporting", "Policy Enforcement", and "Data Management". To the left of this column are three thick vertical bars, with the top one labeled 7506, the middle one 7508, and the bottom one 7510. To the right of the central column is another thick vertical bar labeled 7502. An arrow points from the bottom of the central column to the bar 7502.
